

Coral Gold Resources Ltd. Shareholders Approve Arrangement with Nomad Royalty Company Ltd.

12.11.2020 | [ACCESS Newswire](#)

VANCOUVER, Nov. 12, 2020 - [Coral Gold Resources Ltd.](#) (TSXV:CLH) (OTCQX:CLHRF) ("Coral" or the "Company") is pleased to report that its shareholders have voted overwhelmingly in favour of the previously-announced arrangement ("Arrangement") [see news release of Coral dated August 24, 2020] whereby [Nomad Royalty Company Ltd.](#) ("Nomad") will acquire all of the outstanding common shares of Coral.

At today's annual general and special meeting, Coral's common shareholders voted 98.86% in favour of the special resolution to approve the Arrangement, and also approved the Arrangement by a majority of its minority shareholders.

Coral will apply for a final order of the Supreme Court of British Columbia for approval of the Arrangement on November 16, 2020, and, assuming receipt of Court approval and that all other remaining conditions to the Arrangement are either satisfied or waived, the Company expects that the closing date of the Arrangement (the "Effective Date") will occur on or about Thursday, November 19, 2020.

Under the terms of the Arrangement, Coral shareholders on the Effective Date will receive 0.80 of an unit of Nomad (a "Nomad Unit"), and \$0.05 for every Coral share held. Each whole Nomad Unit will consist of one common share and one-half share purchase warrant of Nomad. For complete details of the Plan of Arrangement, interested persons are directed to the Information Circular filed on SEDAR (www.sedar.com) on October 14, 2020 by Coral under its profile.

Coral intends to request a trading halt of its common shares on the TSX Venture Exchange (the "Exchange") three (3) trading days in advance of the Effective Date, pending completion of the Arrangement. In result, November 13, 2020 will be the last trading day of Coral's common shares on the Exchange, as Coral's common shares would not be expected to return to trading, assuming the Arrangement is completed. The common shares of Coral will be delisted from the Exchange, because Coral will become a wholly-owned subsidiary of Nomad on the Effective Date.

No Offer or Solicitation

This announcement is for informational purposes only and does not constitute an offer to purchase or a solicitation of an offer to sell common shares of Coral or an offer to sell or a solicitation of an offer to buy common shares of Nomad.

About Coral Gold Resources Ltd.

Coral is a precious metals exploration company, where it has explored one of the world's richest gold districts in Nevada for over 30 years. The Company's primary asset is a sliding scale net smelter returns production royalty on Barrick's Robertson Property in Nevada. The Company also holds a portfolio of strategically-located exploration projects near Barrick's Pipeline/Cortez Mine Complex on Nevada's Battle Mountain/Cortez Trend.

ON BEHALF OF THE BOARD
