

# INV Metals Announces Live Town Hall Webinar Thursday, November 19, 4:05 p.m. EST

18.11.2020 | [GlobeNewswire](#)

TORONTO, Nov. 18, 2020 - [INV Metals Inc.](#) (INV Metals; or the Company) (TSX:INV) is pleased to announce it will be hosting its third Live Town Hall Webinar (Webinar) with O&M Partners on Thursday, November 19, 2020 at 4:05 p.m. EST.

INV Metals is focused on the sustainable development of the Loma Larga gold, copper and silver project (Loma Larga) and on the exploration of its greenfields projects, located in Ecuador. Please join the Company's Chief Executive Officer, Ms. Candace MacGibbon, as she talks about the company's strategy to advance Loma Larga towards development.

Ms. MacGibbon commented, "The recent completion of the Environmental Impact Study represented a significant milestone for the Company. We continue to work together with various governmental ministries to achieve our goal of the development of Loma Larga. The Company is also focused on communication with our stakeholders and has commenced project financing discussions with potential financial partners, including debt providers, private equity groups, royalty and streaming groups and potential concentrate off-take parties.

The Company's largest shareholders include two leading Canadian mining companies; [IAMGold Corp.](#) holding a ~35.5% equity interest; and Dundee Precious Metals Corp. holding a ~19.4% equity interest.

In addition to Ms. MacGibbon's presentation, the introductory comments to the Webinar will feature Mr. Robert Kientz, Editor and Publisher of Gold Silver Pros.com, which emphasizes long-term cycle investing in the precious metals market. He is also the author of the 2010 book Drop Shadow: The Truth About the Economy. Mr. Kientz will provide an overview on long-term cycle investing in the precious metals market.

The details and link to the Webinar and replay are provided below:

## Forward-Looking Statements

This press release contains forward-looking information. Forward-looking information contained in this press release includes, but is not limited to, statements with respect to the Company's permitting and financing efforts and plans. These statements are based on information currently available to the Company and the Company provides no assurance that actual results will meet management's expectations. In certain cases, forward-looking information may be identified by such terms as "anticipates", "believes", "could", "estimates", "expects", "may", "shall", "will", or "would".

Forward-looking information contained in this press release is based on certain factors and assumptions made by management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believe are appropriate in the circumstances. While the Company considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include the risk that the Company may not obtain project financing on favourable terms or obtain project financing at all and risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined, risks relating to grade or recovery rates, reliance on key personnel, operational risks, regulatory, capitalization and liquidity risks. Please refer to management's discussion and analysis, the Company's Annual Information Form dated April 14, 2020 and other disclosure documents filed and available on SEDAR at [www.sedar.com](http://www.sedar.com) for other risks that could materially affect the Company. This list is not exhaustive of the factors that may affect any of the Company's forward-looking information. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward-looking information. The Company does not undertake to update any forward-looking information that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.
