

SKRR Exploration Announces DTC Eligibility

27.11.2020 | [Newsfile](#)

Vancouver, November 27, 2020 - [SKRR Exploration Inc.](#) (TSXV: SKRR) (OTC Pink: SKKRF) (FSE: B04Q) ("SKRR" or the "Company") is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company ("DTC") in the United States.

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be "DTC eligible". DTC eligibility is expected to create a seamless process of trading and enhance liquidity of the Company's common shares in the United States over time. The ability to have SKRR's shares electronically cleared and settled in the United States is far more convenient and reduces the costs incurred in trading shares. With SKRR's shares now traded electronically, existing investors benefit from greater liquidity over time and execution speeds, while new investors are far less restricted from participating in SKRR's shares.

About SKRR Exploration Inc.:

SKRR is a Canadian-based precious metal explorer with properties in Saskatchewan - one of the world's highest ranked mining jurisdictions. The primary exploration focus is on the Trans-Hudson Corridor in Saskatchewan in search of world class precious metal deposits. The Trans-Hudson Orogen - although extremely well known in geological terms has been significantly under-explored in Saskatchewan. SKRR is committed to all stakeholders including shareholders, all its partners and the environment in which it operates.

Forward-Looking Information

This news release contains "forward-looking information or statements" within the meaning of applicable securities laws, which may include, without limitation, statements that address the anticipated effects of DTC eligibility, other statements relating to the technical, financial and business prospects of the Company, its projects and other matters. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in

which the Company will operate in the future, including the price of metals, the ability to achieve its goals, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company's views with respect to future events and is subject to risks, uncertainties and assumptions, including those filed under the Company's profile on SEDAR at www.sedar.com. Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, adverse weather conditions, decrease in the price of gold and other metals, equipment failures, failure to maintain or obtain all necessary government permits, approvals and authorizations, the impact of Covid-19 or other viruses and diseases on the Company's ability to operate, failure to maintain community acceptance (including First Nations), increase in costs, litigation, and failure of counterparties to perform their contractual obligations. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
