Vancouver, December 11, 2020 - [Eastern Platinum Ltd.](#) (TSX: ELR) (JSE: EPS) ("Eastplats" or the "Company") today announced the offering to its shareholders (the "Rights Offering") of rights (the "Rights") to acquire common shares of the Company ("Common Shares") at the close of business on the record date of December 18, 2020 ("Record Date"), on the basis of one Right for each Common Share held. Each Right will entitle the holder to subscribe for one Common Share of the Company upon payment of the subscription price of \$0.32 or ZAR 3.77136 (based on the Applicable Exchange Rate as defined in the Rights Offering Circular) per Common Share (the "Basic Subscription Privilege"). Shareholders who fully exercise their Rights under the Basic Subscription Privilege will also be entitled to subscribe for additional Common Shares, on a pro rata basis, if available as a result of unexercised Rights prior to the expiry time of the Rights Offering (the "Additional Subscription Privilege").

The Rights will be listed and posted for trading on the Toronto Stock Exchange (the "TSX") under the symbol "ELR.RT" on a "when issued" basis, and the Johannesburg Stock Exchange (the "JSE") under the symbol "EPSN" at 09:00 SAST on December 15, 2020. The Rights Offering will close at 12:00 pm in South Africa and 2:00 p.m. (Vancouver time)/5:00 p.m. (Toronto time) (the "Expiry Time") on January 22, 2021, after which time unexercised Rights will be void and of no value.

The Rights will be issued only to shareholders on the Record Date (the "Eligible Holders") who are resident in a province or territory of Canada or in South Africa (the "Eligible Jurisdictions"). Shareholders will be presumed to be resident in the place shown on the corporate share registry or securities register (as the case may be), unless the contrary is shown to the Company's satisfaction. Neither the Offering Notice (defined below), nor the Rights Offering Circular (defined below) is to be construed as an offering of the Rights, and the Common Shares issuable upon exercise of the Rights are not offered for sale in any jurisdiction outside of the Eligible Jurisdictions, including in the United States (the "Ineligible Jurisdictions"), or to any shareholders who are resident in any jurisdiction other than the Eligible Jurisdictions (the "Ineligible Holders"). Details of the Rights Offering will be set out in the rights offering notice ("Notice of Rights Offering") and rights offering circular ("Rights Offering Circular") which will be available from today under the Company's profile at www.sedar.com and on the Company's website www.eastplats.com/investors-2/RightsOffering.

The Company currently has 100,639,032 Common Shares issued. If all Rights issued under the Rights Offering are validly exercised, an additional 100,639,032 Common Shares will be issued. The Company is pleased to provide all the existing shareholders of Eastplats an opportunity to directly fund the capital investment required to take advantage of the proposed opportunities. The Company intends to use the net proceeds of the Rights Offering, subject to the results of the amount raised, on capital projects (focused on platinum group metals ("PGM") opportunities) expected to be completed during 2021 and, if sufficient funds are raised, on secondary projects, which are expected to begin in 2021 but which are not expected to be completed until the following year. The Company forecasts it has sufficient working capital to continue with its current operations in 2021, subject to the Retreatment Project option and loan assessment occurring in 2022.
