18.12.2020 | [PR Newswire](#)

And an Increase to the Tender Offer Consideration with respect to the Tender Offer for its 8.25% Bonds due 2021

LONDON, Dec. 18, 2020 - VEDANTA RESOURCES LIMITED (formerly known as [Vedanta Resources plc](#)) (the "Company")

Offer to Purchase for Cash Any and All of the Outstanding 8.25% Bonds due 2021, (CUSIP: G9328DAG5 and 92241TAG7;
ISIN: USG9328DAG54 and US92241TAG76;
Common Code: 063200760 and 063199974)

Vedanta Resources Limited (formerly known as [Vedanta Resources plc](#)) (the "Company") hereby announces the results as of the Early Tender Deadline (as defined below) with respect to its previously announced offer to purchase for cash (the "Tender Offer") from each registered holder (each, a "Holder" and, collectively, the "Holders"), on the terms and subject to the conditions set forth in the tender offer memorandum dated December 4, 2020, as supplemented by the supplemental tender offer memorandum dated December 18, 2020, prepared in connection with the Tender Offer (together, as it may be amended or supplemented from time to time, the "Tender Offer Memorandum"), any and all of its outstanding 8.25% Bonds due June 7, 2021 (the "Notes"), as well as the Company's decision to increase the Tender Offer Consideration (as defined in the Tender Offer Memorandum).

Expiration of the Early Tender Deadline and Early Acceptance of Tendered Notes

The Early Tender Deadline of the Tender Offer occurred at 5:00 P.M., New York City time, on December 17, 2020 (such time and date, the "Early Tender Deadline"). Holders were required to validly tender and not validly withdraw their Notes prior to or at the Early Tender Deadline to be eligible to receive the Early Tender Offer Consideration (as defined below) for the Tender Offer. The consideration offered to those who tendered on or prior to the Early Tender Deadline will be U.S.\$1,000 per U.S.\$1,000 principal amount of the Notes validly tendered and accepted pursuant to the Tender Offer (the "Early Tender Offer Consideration").

According to the information provided by Morrow Sodali Ltd (the "Information and Tender Agent"), the information and tender agent for the Tender Offer, an aggregate principal amount of U.S.\$478,894,000 of the Notes had been validly tendered and not validly withdrawn pursuant to the Tender Offer as at the Early Tender Deadline, representing 71.46% of the total principal amount outstanding of the Notes.

The Tender Offer is conditioned upon, among other things, the successful completion of the Company's concurrent offering (the "Financing Transaction") of new notes (the "New Notes") to be issued by a wholly owned subsidiary of the Company in reliance on an exemption from the registration requirements of the U.S. Securities Act of 1933 (the "Securities Act"). The Company expects to complete and settle the Financing Transaction on December 21, 2020, which would satisfy the Financing Condition (as defined in the Tender Offer Memorandum) of the Tender Offer. However, no assurance can be given that the Financing Transaction will be completed successfully. This announcement and the information contained in this announcement regarding the New Notes do not constitute an offer to sell or a solicitation of an offer to buy any New Notes.

Subject to the satisfaction or waiver of the other conditions in respect of the Tender Offer, the Company hereby announces that it has today elected to accept for purchase all of the Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline (the "Early Acceptance Date") and will pay the Early Tender Offer Consideration for the Notes validly tendered and accepted for purchase at the Early Acceptance Date on the Early Payment Date (as defined herein). As such, the settlement date for the Notes which were validly tendered and not validly withdrawn on or prior to the Early Tender Deadline is expected to be December 22, 2020 (the "Early Payment Date"), subject to the terms and conditions described in the

Tender Offer Memorandum. In addition to the Early Tender Offer Consideration, Holders will also receive accrued and unpaid interest, and additional amounts, if any, in respect of any Notes purchased in the Tender Offer from, and including the last interest payment date to, but excluding, the Early Payment Date.

The Company will arrange for cancelation of all Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline and accepted for purchase following purchase by the Company, and any Notes not validly tendered or accepted for purchase by the Company will remain outstanding and accrue interest in accordance with their terms.

Concurrently with the Early Tender Deadline, the withdrawal deadline for tendered Notes to be validly withdrawn (the "Withdrawal Deadline") has also passed. As a result, any Notes validly tendered on or after the Withdrawal Deadline and prior to the Expiration Time (as defined below) may not be withdrawn. Any such Notes validly tendered and accepted for exchange after the Early Tender Deadline will be eligible to receive the Tender Offer Consideration (as defined in the Tender Offer Memorandum) principal amount and will not be eligible to receive the Early Tender Offer Consideration.

Increase of Tender Offer Consideration

In addition, the Company hereby announces its decision to increase the Tender Offer Consideration (as defined in the Tender Offer Memorandum) from (i) U.S.\$980 per U.S.\$1,000 principal amount of Notes that are validly tendered at or prior to the Expiration Time (as defined below) but after the Early Tender Deadline that are accepted for purchase pursuant to the Tender Offer to (ii) U.S.\$999.0 per U.S.\$1,000 principal amount of Notes that are validly tendered at or prior to the Expiration Time but after the Early Tender Deadline that are accepted for purchase pursuant to the Tender Offer. All other terms of the Tender Offer are expected to remain unchanged.

As previously contemplated by the terms of the Tender Offer Memorandum, in addition to payment of the Tender Offer Consideration, the Company will also pay accrued and unpaid interest on each of the Notes that are validly tendered at or prior to the Expiration Time but after the Early Tender Deadline that are accepted for purchase pursuant to the Tender Offer up to, but excluding, the Final Payment Date (as defined below) in respect of such Notes.

The Expiration Time of the Tender Offer will be 11:59 P.M., New York City time, on January 4, 2021, unless extended or earlier terminated (the "Expiration Time"). The Final Payment Date is expected to be January 6, 2021 (the "Final Payment Date"), or two business days following the Expiration Time.

The deadlines set by any intermediary or clearing system will be earlier than the deadlines set out above.

The Company will announce the aggregate principal amount of Notes tendered as at the Expiration Time, whether the conditions to the Tender Offer have been satisfied or waived, the principal amount of Notes accepted for purchase by the Company and the aggregate principal amount of Notes that will remain outstanding following completion of the Tender Offer as soon as reasonably practicable following the Expiration Time.

Holders are advised to read carefully the Tender Offer Memorandum, available on the Tender Offer Website, for full details of and information on the procedures for participating in the Tender Offer.
