[California Resources Corp.](#) (NYSE: CRC) (the “Company”) announced today that, subject to market and other conditions, it intends to offer and sell to eligible purchasers \$600 million in aggregate principal amount of senior unsecured notes due 2026 (the “Notes”). The Notes will be guaranteed by all of the Company’s existing subsidiaries that guarantee its revolving credit facility and certain future subsidiaries. The Notes will be offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act and non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act.

This press release does not and shall not constitute an offer to sell or the solicitation of an offer to buy any Notes, nor shall there be any offer, solicitation or sale of Notes in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
