

Emerita Resources Announces DTC Eligibility

26.01.2021 | [GlobeNewswire](#)

TORONTO, Jan. 26, 2021 - [Emerita Resources Corp.](#) (TSX-V: EMO; OTC: EMOTF) (the "Company" or "Emerita") is pleased to announce that further to its press release on November 11, 2020, Emerita has obtained DTC eligibility by the Depository Trust Company ("DTC") for its shares traded on the OTC Pink Market under the symbol "EMOTF". The Company's common shares will continue to trade on the TSX Venture Exchange under the symbol "EMO".

The DTC is a subsidiary of the Depository Trust & Clearing Corporation and manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered "DTC eligible." This electronic method of clearing securities speeds up the receipt of stock and cash, and thus accelerates the settlement process for investors and brokers, enabling the stock to be traded over a much wider selection of brokerage firms by coming into compliance with their requirements. Being DTC eligible is expected to greatly simplify the process of trading and transferring the Company's common shares on the OTC Pink Market.

The Company anticipates that trading on the OTC Pink Open Market will provide additional liquidity and increase its visibility within the U.S. capital markets.
