

# First Energy Metals Ltd. Grants Incentive Stock Options

12.02.2021 | [CNW](#)

VANCOUVER, Feb. 11, 2021 - [First Energy Metals Ltd.](#) (CSE: FE) ("First Energy" or the "Company") announces that it has granted incentive stock options to certain directors, officers and consultants to purchase up to an aggregate of 1,300,000 common shares under the Company's Incentive Stock Option Plan. The options will be exercisable for a period of five (5) years, at an exercise price of \$0.35 per share.

The stock option grant will be subject to a four-month hold period and is subject to Canadian Securities Exchange approval.

About First [Energy Metals Ltd.](#)

First Energy Metals is a Canadian mineral exploration company with a primary focus of acquiring a multicommodity mineral property portfolio. Its goal is to identify, acquire and explore North American mineral prospects in the precious metal, base metal and industrial metals sector.

The company's strategy is to:

- Acquire and advance projects through prospecting and early-stage exploration;
- Source joint venture partners to finance future exploration and project development;
- Create shareholder value through exploration success.

First Energy will continue to add to its multicommodity portfolio through organic acquisitions of new projects and opportunities with the intention of adding value and projects over time.
