"At the request of our shareholders we have decided to introduce a new enhanced disclosure policy, which we will call 'Zimtu Snapshot'," remarked Zimtu Capital President Dave Hodge. "We'll now be disclosing each Monday on a weekly basis all our holdings, big and tall, small and short, in order to tell the public exactly where we're at."

Readers are reminded that the Zimtu Snapshot is not intended to be a substitute for the comprehensive information contained in Zimtu's financial statements filed quarterly on SEDAR.

The Zimtu Snapshot includes the following data:

- Zimtu's fully diluted equity, including current shares, options and warrants outstanding
- The historic total equity value of Zimtu's investment holdings

- Zimtu's exercisable warrants
- All current public equity holdings

The information presented each week are as at the date published and may not be valid when and if Zimtu decides to sell any of its investment portfolio securities. The portfolio securities are mostly small, illiquid companies and values may fluctuate widely from day to day. There is no guarantee that Zimtu will achieve the Implied Market Value of any of the securities listed. There is no guarantee that any of the private holding companies will succeed in going public and therefore liquidity for those investments may be severely limited.
