02.03.2021 | [ACCESS Newswire](#)

SURREY, March 2, 2021 - [American Manganese Inc.](#) ("AMY" or the "Company") (TSXV:AMY)(OTCQB:AMYZF)(FSE:2AM) is pleased to announce that effective March 3, 2021, the Company's common shares are approved to begin trading on the OTCQB Venture Market ("OTCQB"), under the symbol "AMYZF". American Manganese's shares will continue to trade on the TSX Venture Exchange under its existing symbol "AMY" and the Frankfurt Stock Exchange under its existing symbol "2AM".

"American Manganese's OTCQB listing market provides a regulated platform that will enhance the visibility and trading capability of our Company's common shares for both institutional and retail investors," said Larry Reaugh, President and CEO of [American Manganese Inc.](#) "We are confident that trading on the OTCQB will further enhance liquidity for our current shareholders and promote greater awareness of the Company and its developing projects."

The OTCQB is a venture market operated by the OTC Markets Group, Inc. and is designed for developing companies in the U.S. and abroad. To be eligible for quotation on the OTCQB, companies must be current in their reporting and undergo an annual verification and management certification process. Companies must also meet a minimum bid price test and other financial conditions. The OTCQB is recognized by the Securities and Exchange Commission as an established public market and provides current public information to investors that need to analyze, value, and trade securities.
