Mr. John Theobald, President & CEO of Silverton comments "I am delighted to welcome such a high calibre professional as Mr. Wylie to the Board of Directors, his experience, advice and oversight will be invaluable in helping to shape our strategy going forward".

About Silverton Metals Corp

[Silverton Metals Corp.](#) is a Canadian company focused on the exploration and development of quality silver projects. The company holds a 100% interest in three significant silver assets in Mexico - Penasco Quemado in Sonora; La Frazada, Nayarit and Pluto, in Durango. Silverton acquired these assets from Silver One Resources, one of the company's largest shareholder. Silverton management and board have extensive experience identifying and evaluating acquisition targets and exploration prospects. The company intends to build a strong portfolio of silver-rich projects to drive future growth by exploration success and from later stage projects with production potential. To achieve this growth the Silverton business plan calls for a dynamic combination of development of its existing properties, acquisitions, and partnerships.
