VAL-D'OR, March 15, 2021 - [Bonterra Resources Inc.](#) (TSXV: BTR) (OTCQX: BONXF) (FSE: 9BR2) ("Bonterra" or the "Company") is pleased to announce that it has entered into an agreement with Cormark Securities Inc. to act as lead agent (the "Lead Agent"), on its own behalf and, if applicable, on behalf of a syndicate of agents (collectively with the Lead Agent, the "Agents"), in connection with a "best efforts" private placement to raise gross proceeds of \$10,008,000, through the issuance of 6,950,000 common shares of the Company issued on a flow-through basis (the "FT Shares") at a price of \$1.44 per FT Share (the "Offering").

The Company has also granted the Agents an option, exercisable in whole or in part at any time up to 48 hours prior to closing of the Offering, which will allow the Agents to sell up to an additional 15% of the FT Shares on the same terms.

In connection with the Offering, the Agents will be entitled to a cash fee in an amount equal to 6% of the gross proceeds of the Offering.

The gross proceeds from the issuance of the FT Shares will be used for Canadian exploration expenses and will qualify as "flow-through mining expenditures", as defined in subsection 127(9) of the Income Tax Act (Canada) (the "Qualifying Expenditures"), which will be incurred on or before December 31, 2022 and renounced to the subscribers with an effective date no later than December 31, 2021 in an aggregate amount not less than the gross proceeds raised from the issue of the Offered Securities, as applicable, and, if the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each FT Share subscriber for any additional taxes payable by such subscriber as a result of the Company's failure to renounce the Qualifying Expenditures as agreed.

The Offering is expected to close on or about April 7, 2021 and is subject to certain closing conditions including, but not limited to, the receipt of all necessary approvals, including the acceptance of the TSX Venture Exchange. The Offering is being made by way of private placement in Canada. The securities issued under the Offering will be subject to a hold period in Canada expiring four months and one day from the closing date of the Offering.
