

Osisko Mining Inc. Corporate Update (March 2021)

15.03.2021 | [GlobeNewswire](#)

TORONTO, March 15, 2021 - [Osisko Mining Inc.](#) (OSK:TSX. "Osisko" or the "Corporation") is pleased to announce the promotion of Ms. Alix Drapack to Chief Sustainability Officer ("CSO"). As part of the senior management team reporting to the President, the CSO will oversee the corporation's sustainability activities including Health & Safety, Environment, Community relations and First Nation relations, agreements and partnerships.

Ms. Drapack joined [Osisko Mining Inc.](#) in 2016 and was most recently Senior Vice-President Sustainable Development. She is a professional engineer with over 28 years of experience in managing mining, environmental and transportation projects in Canada and the USA, spanning operations, consulting and corporate office settings. Alix graduated from UBC with a Bachelor of Applied Science in Mining and Mineral Process Engineering. She also holds an MBA from Arizona State University and is a member (P. Eng.) of the Professional Engineers of Ontario. From 2011 to 2014, as Director of Sustainable Development for [Osisko Mining Corp.](#), Alix led the combined federal and provincial environmental assessment process for the Osisko Hammond Reef Project and was responsible for Aboriginal engagement, public consultation and government relations. Previously she developed and implemented the Environmental Management Program for TransLink and has had mining operations experience including working as a Mill Shift foreman for [Inco Ltd.](#)

The new appointment reflects Osisko's values-based approach and commitment to best practice environmental, social and governance (ESG) principles as the Corporation advances the world-class Windfall deposit towards development.
