Higher Gold Price and Cost Savings Drive 54% Increase in EBITDA

PERTH, March 22, 2021 - [Centamin Plc](#) ("Centamin" or "the Company") (LSE:CEY)(TSX:CEE) Full year results for the twelve months ended 31 December 2020.

MARTIN HORGAN, CEO, COMMENTED: "Centamin delivered another solid financial performance in 2020, driven primarily by improved commodity pricing, our comprehensive response to COVID-19 and an improvement in operating efficiencies and productivity. I would like to thank our workforce for how they responded to the operating environment in 2020, continuing to deliver results. Centamin generated record revenue of US\$829 million, a 54% increase in EBITDA to US\$439 million with an EBITDA margin of 53%. Ultimately, the Group generated significant free cash flow, of US\$142 million, a 91% increase, making it possible to propose and pay dividends attributable to 2020 of US\$104 million further demonstrating Centamin's commitment to delivering returns to our shareholders. We continue to maintain a strong and flexible balance sheet, finishing the year with US\$310 million in cash and liquid assets at 31 December 2020."

ENDNOTES

Non-GAAP measures

This statement includes certain financial performance measures which are not GAAP measures as defined under International Financial Reporting Standards (IFRS). These include EBITDA and adjusted EBITDA, Cash costs of production, AISC, Cash and liquid assets, and Free cash flow. Management believes these measures provide valuable additional information for users of the financial statements to understand the underlying trading performance. An explanation of the measures used along with reconciliation to the nearest IFRS measures is provided in the Financial Review.

FORWARD-LOOKING STATEMENTS

This announcement (including information incorporated by reference) contains "forward-looking statements" and "forward-looking information" under applicable securities laws (collectively, "forward-looking statements"), including statements with respect to future financial or operating performance. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "believes", "expects", "expected", "budgeted", "forecasts" and "anticipates". Although Centamin believes that the expectations reflected in such forward-looking statements are reasonable, Centamin can give no assurance that such expectations will prove to be correct. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Centamin about future events and are therefore subject to known and unknown risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. In addition, there are a number of factors that could cause actual results, performance, achievements or developments to differ materially from those expressed or implied by such forward-looking statements; the risks and uncertainties associated with the ongoing impacts of COVID-19 or other pandemic, general business, economic, competitive, political and social uncertainties; the results of exploration activities and feasibility studies; assumptions in economic evaluations which prove to be inaccurate; currency fluctuations; changes in project parameters; future prices of gold and other metals; possible variations of ore grade or recovery rates; accidents, labour disputes and other risks of the mining industry; climatic conditions; political instability; decisions and regulatory changes enacted by governmental authorities; delays in obtaining approvals or financing or completing development or construction activities; and discovery of archaeological ruins. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information or statements, particularly in light of the current economic climate and the significant volatility, uncertainty and disruption caused by the outbreak of COVID-19. Forward-looking statements contained herein are made as of the date of this announcement and the Company disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Accordingly, readers should not place undue reliance on forward-looking statements.
