### About Amex Exploration

[Amex Exploration Inc.](#) is a junior mining exploration company, which has made one of the most important gold discoveries in Canada in the mining-friendly jurisdiction of Quebec. Amex is focused on its 100% owned Perron gold project located 110 km north of Rouyn Noranda, Quebec, consisting of 117 contiguous claims covering 4,560 hectares. A number of significant gold discoveries have been made at Perron, including the Eastern Gold Zone, the Gratien Gold Zone, the Grey Cat Zone, and the Central Polymetallic Zone. High-grade gold has been identified in each of the zones. A significant portion of the project remains under-explored. In addition to the Perron project, the company holds a portfolio of three other properties focused on gold and base metals in the Abitibi region of Quebec and elsewhere in the province.
