

NG Energy Announces the Commencement of OTCQX® Trading

08.04.2021 | [CNW](#)

VANCOUVER, April 8, 2021 - [NG Energy International Corp.](#) (the "Company" or "NGE") (TSXV: GASX) (OTCQX: GASXF) is pleased to announce that its common shares are now trading on the OTCQX® Best Market under the ticker symbol "GASXF".

NGE has upgraded to OTCQX from the Pink® market. U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on www.otcm Markets.com/stock/GASXF.

Upgrading to the OTCQX Market is an important step for companies seeking to provide transparent trading for their U.S. investors. For companies listed on a qualified international exchange, streamlined market standards enable them to utilize their home market reporting to make their information available in the U.S. To qualify for OTCQX, companies must meet high financial standards, follow best practice corporate governance and demonstrate compliance with applicable securities laws.

"Trading on the OTCQX® Best Market is an important step in providing NG Energy access to a broader US investor audience and raises the Company's profile as it pushes towards achieving production at its Maria Conchita field and commences its fully funded four well exploration program at its flagship Sinu 9 block this year" said Serafino Iacono, CEO of NGE. "We would like to thank all our shareholders for their ongoing support."

About NG Energy International Corp.

[NG Energy International Corp.](#) is a publicly traded E&P company on a mission to provide a clean and sustainable solution to Colombia's energy needs. The Company intends on executing this mission by producing and bringing gas to the premium priced Colombian gas market from its concessions, SN-9, a 311,353 acres block which is adjacent to Canacol's Nelson field, as well Maria Conchita, a 32,518 acre block located in the region of La Guajira. NGE's team has extensive technical expertise and a proven track record of building companies and creating value in South America. For more information, please visit SEDAR (www.sedar.com) and the Company's website (www.ngenergyintl.com).

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
