

Aztec Appoints Vice President, Exploration

12.04.2021 | [ACCESS Newswire](#)

VANCOUVER, April 12, 2021 - [Aztec Minerals Corp.](#) (TSXV:AZT)(OTCQB:AZZTF) has appointed Allen David V. Heyl, B.Sc., CPG, to the position of Vice President, Exploration. Mr. Heyl brings to Aztec more than 38 years of experience in the mining industry, including senior corporate and technical positions with both major mining companies and junior exploration companies, working mostly in the Andean countries of South America and in North America.

Mr. Heyl was most recently Vice President, Operations for Duran Ventures, responsible for overseeing the operation of a small processing plant in northern Peru, as well as corporate development, evaluations, acquisitions, exploration and administration. Throughout his career, David developed expertise in all aspects of mineral exploration and resource evaluation, and has worked at operating mines in grade control, mine design, construction supervision and operations oversight.

He has played key roles in the discovery and evaluation of more than 30 million oz gold and 25 million tonnes copper in reserves and resources including Marmato-Echandia in Colombia for Colombia Gold (now Aris Gold); Pierina, Alta Chicama, and Quicay (now Centauro) for Barrick; Motherlode (now Corvus Gold) and Reward (now Waterton) in Beatty, Nevada, and Rocky Bar for GEXA; Tantahuatay, Cuajone, and Quelleveco for Southern Peru Copper; Rio Blanco for Monterrico Metals (now Zijin Mining); El Toro, Minasampa (both now COMARSA), Tres Cruces and Nueva Condor/Huampar for OroPeru.

Aztec also announces it has granted an aggregate of 1.015 million stock options to consultants, management and directors of the company as an incentive to create shareholder value, pursuant to the terms of the company's stock option plan. The stock options are exercisable to acquire common shares at an exercise price of \$0.30 per common share for a term of five years, subject to vesting provisions.

Webinar

Aztec will host a webinar to discuss the company's upcoming exploration programs. The webinar will take place on Wednesday, April 21 2021, at 11 a.m. PT (2 p.m. ET). Management will be available to answer questions following the presentation.
