Val-d'Or, April 16, 2021 - [Abitibi Royalties Inc.](#) (TSXV: RZZ) (OTC: ATBYF) ("Abitibi Royalties" or the "Company") announces its Q1-2021 royalty payment from the Canadian Malartic Mine, located near Val-d'Or, Quebec and total cash generated during the quarter. The Company is unique among its peers due to its strong treasury, no debt, monthly dividend, share buyback program and limited number of shares (less than 12.5 million).

Q1-2021 Royalty Payment & Cash Generation

During Q1-2021, the Company generated total cash of approximately CDN\$8.3 million, with approximately CDN\$0.2 million coming from royalties on the open pit portion contained within the Company's 3% NSR at the Canadian Malartic Mine. Royalties from the open pit portion of the Canadian Malartic Mine commenced at the end of Q4-2018 (the Company's core underground royalties at Canadian Malartic are not yet in production). The Canadian Malartic Mine is the largest gold mine in Canada and is operated by [Agnico Eagle Mines Ltd.](#) ("Agnico Eagle") and [Yamana Gold Inc.](#) ("Yamana"). The remainder of the cash generated during the quarter came from option premiums (CDN\$0.9 million), dividends (CDN\$0.2 million) and capital gains from equity investments in Agnico Eagle/Yamana (CDN\$7.0 million).

The Company has approximately 12,462,610 issued shares, with no warrants, stock options or other forms of share-based compensation outstanding. As of April 15, 2021 the Company's treasury of cash and marketable securities totalled approximately CDN\$52.9 million.

1. Non-IFRS Measure: The Company has calculated the measure "cash generation" as royalties earned in the quarter and cash received from option premiums and dividends. This is a non-IFRS measure as IFRS requires the Company's cash in its financial statements to be recognized using the accrual basis of accounting. The Company believes that this measure, while not a substitute for measures of performance prepared in accordance with IFRS, provides investors an improved ability to evaluate the underlying performance of the Company.
