

Western Magnesium Corp. Announces Convertible Note Financing

30.04.2021 | [The Newswire](#)

NEW YORK, April 30, 2021 - [Western Magnesium Corp.](#) (TSXV:WMG; Frankfurt-3WM; OTCQB:MLYF) ("Western Magnesium" or the "Company") today announced that it will conduct a non-brokered private placement of unsecured convertible notes (the "Convertible Note") in the principal amount of CDN\$100,000.

The Principal Amount of the Convertible Note will bear interest at 12% per annum, and any accrued but unpaid interest, will mature on the date that is one (1) year following the Closing Date (the "Maturity Date"). Each Convertible Note may be convertible into common shares, (a "Share"), of the Company at \$0.12 per Share and any accrued but unpaid interest thereon will be convertible into Shares at \$0.12 and will have warrants exercisable for a period of 2 years at \$0.20.

The completion of the convertible note financing is subject to the approval of the TSX Venture Exchange. The securities issued will be subject to a statutory hold period in Canada for a period of four months and one day from the Closing Date. The securities have not been registered with the SEC and are also subject to a statutory one-year hold period in compliance with Regulation S of the Securities Act of 1933 as amended. The Regulation S hold period supersedes the TSX Venture Exchange hold period. Proceeds of the private placement will be used for working capital.

About Western Magnesium

Western Magnesium's goal is to be a low-cost producer of green, primary magnesium metal, a strategic commodity prized for its strength and light weight. Unlike outdated and costly production processes, Western Magnesium looks to use a continuous silicothermic process to produce magnesium, which significantly reduces labor and energy costs relative to current methods and processes, while being environmentally friendly.
