About Sidoti

For over two decades, Sidoti has been a premier provider of independent securities research focused specifically on small and microcap companies and the institutions that invest their securities, with most of our coverage in the \$50 million to \$4 billion market cap range. Our approach affords companies and institutional clients a combination of high-quality research, a small and microcap focused nationwide sales effort, broad access to corporate management teams, and extensive trading support. We serve 500+ institutional clients in North America, including many leading managers of portfolios with \$200 million to \$2 billion of AUM. Sidoti promotes meaningful interaction between issuers and investors in the small and microcap space through our conferences (www.sidoticonference.com) and the hundreds of non-deal roadshows we host each year.
