CORPUS CHRISTI, May 20, 2021 - [Uranium Energy Corp.](#) (NYSE American: UEC) (the "Company" or "UEC") is pleased to report recent increases in its physical and equity uranium holdings.

The Company has acquired an additional 200,000 pounds of U.S. warehoused uranium. UEC's physical uranium initiative is fully funded with cash on hand and now includes 2.305 million pounds of U.S. warehoused uranium at a volume weighted average price of ~\$30 per pound with various delivery dates out to June 2023.

The Company has also acquired an additional 1,000,000 common shares of [Uranium Royalty Corp.](#) ("URC") (TSXV: URC, Nasdaq: UROY) in order to maintain its existing strategic ownership position in URC. The Company completed the subscription under a recent bought deal financing which was completed by URC comprised of 6,100,000 common shares at a price of C\$4.10 per share for gross proceeds of C\$25.0 million. Following this closing, UEC now owns 15 million shares of URC at an average cost base of C\$1.09 per share.

Following the closing of the latest physical and equity acquisitions by UEC, the Company now has over \$115 million in cash, equity and inventory holdings.

## About Uranium Energy Corp

Uranium Energy Corp is a U.S.-based uranium mining and exploration company. As a leading pure-play American uranium company, UEC is advancing the next generation of low-cost and environmentally friendly In-Situ Recovery (ISR) mining uranium projects. In South Texas, the Company's hub-and-spoke operations are anchored by our fully-licensed Hobson Processing Facility which is central to our Palangana, Burke Hollow, Goliad and other ISR pipeline projects. In Wyoming, UEC controls the Reno Creek project, which is the largest permitted, pre-construction ISR uranium project in the U.S. Additionally, the Company's diversified holdings provide exposure to a unique portfolio of uranium related assets, including: 1) major equity stake in the only royalty company in the sector, [Uranium Royalty Corp.](#); 2) physical uranium warehoused in the U.S.; and 3) a pipeline of resource-stage uranium projects in Arizona, Colorado, New Mexico and Paraguay. In Paraguay, the Company owns one of the largest and highest-grade ferro-titanium deposits in the world. The Company's operations are managed by professionals with a recognized profile for excellence in their industry, a profile based on many decades of hands-on experience in the key facets of uranium exploration, development and mining.

## Safe Harbor Statement

Except for the statements of historical fact contained herein, the information presented in this news release constitutes "forward-looking statements" as such term is used in applicable United States and Canadian laws. These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Any other statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans, "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken,

occur or be achieved) are not statements of historical fact and should be viewed as "forward-looking statements". Such forward looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such risks and other factors include, among others, market and other conditions, the actual results of exploration activities, variations in the underlying assumptions associated with the estimation or realization of mineral resources, the availability of capital to fund programs and the resulting dilution caused by the raising of capital through the sale of shares, accidents, labor disputes and other risks of the mining industry including, without limitation, those associated with the environment, delays in obtaining governmental approvals, permits or financing or in the completion of development or construction activities, title disputes or claims limitations on insurance coverage. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release and in any document referred to in this news release. Certain matters discussed in this news release and oral statements made from time to time by representatives of the Company may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and the Federal securities laws. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, it can give no assurance that its expectations will be achieved. Forward-looking information is subject to certain risks, trends and uncertainties that could cause actual results to differ materially from those projected. Many of these factors are beyond the Company's ability to control or predict. Important factors that may cause actual results to differ materially and that could impact the Company and the statements contained in this news release can be found in the Company's filings with the Securities and Exchange Commission. For forward-looking statements in this news release, the Company claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. The Company assumes no obligation to update or supplement any forward-looking statements whether as a result of new information, future events or otherwise. This press release shall not constitute an offer to sell or the solicitation of an offer to buy securities.
