

Goldshore Resources Inc. to Participate in Renmark's Virtual Non-Deal Roadshow Series

25.05.2021 | [Newsfile](#)

Vancouver, May 25, 2021 - Goldshore Resources Inc. ("Goldshore") announced today that they will be participating in Renmark Financial Communications Inc.'s live Virtual Non-Deal Roadshow Series to discuss its latest investor presentation on May 25, 26, and 27th, prior to being admitted for trading on the TSX-V. Goldshore welcomes stakeholders, investors, and other individual followers to register and attend this live event.

The presentation will feature Chief Executive Officer, Brett Richards. Topics to be covered will include the latest investor presentation followed by a live Q&A. Investors interested in participating in this event will need to register using the link below. As a reminder, registration for the live event may be limited but access to the replay after the event will be on The Company's Investor website.

About Goldshore Resources Inc.

Goldshore is an emerging junior gold developer, and in connection with the Sierra Madre reverse takeover transaction it will acquire the Moss Lake Gold Project from Wesdome Gold Mines Ltd. Well-financed after having completed a \$25 million financing and supported by an industry-leading management group, board of directors and advisory board, Goldshore is well positioned to advance the Moss Lake Gold Project through the next stages of exploration and development.

Goldshore has the following ticker reserved for admission to trading: TSX-V:GSHR.

About Renmark Financial Communications Inc.

Founded in 1999, Renmark Financial Communications Inc. is North America's leading retail investor relations firm. Employing a strategic and comprehensive mix of exposure tactics; Renmark hosts Virtual Non-Deal Roadshows as well as in-person corporate presentations and maintains daily communications with thousands of brokers and money managers across Canada and the United States. Renmark empowers its publicly-traded clientele to maximize their visibility within the financial community and strengthen their investor audience.
