

West High Yield (W.H.Y.) Resources Ltd. Provides Update to Previously Announced Royalty Unit Transaction

25.05.2021 | [Newsfile](#)

Calgary, May 25, 2021 - [West High Yield \(W.H.Y.\) Resources Ltd.](#) (TSXV: WHY) ("West High Yield" or the "Company") announces that, due to market conditions and other various factors, it will not pursue final approval from the TSX Venture Exchange (the "TSXV") in respect of its previously announced disposition of a contractual royalty by way of the issuance of Royalty units (the "Royalty Transaction").

The Company is currently in the midst of evaluating various business opportunities and it will continue to monitor market conditions while considering opportunistic transactions that maximize shareholder value, including a potential reapplication to the TSXV for conditional approval of the Royalty Transaction at a later date.

About West High Yield

West High Yield is a publicly traded junior mining exploration and development company focused on the acquisition, exploration, and development of mineral resource properties in Canada with a primary objective to develop its Record Ridge magnesium deposit using green processing techniques to minimize waste and CO₂ emissions.
