

Uranium Royalty Corp. Grants Incentive Stock Options

31.05.2021 | [CNW](#)

VANCOUVER, May 31, 2021 - [Uranium Royalty Corp.](#) (TSXV: URC) (NASDAQ: UROY) ("URC" or the "Company") announced today the grant of incentive stock options to purchase 725,000 common shares of the Company (the "Options") to certain directors, officers, employees and consultants of the Company pursuant to the Company's long term incentive plan (the "Plan"), which included 450,000 Options issued to directors and officers of the Company. The Options have an exercise price of \$3.49 per share, representing the market price for the common shares on May 28, 2021, and are valid for a period of five years. The Options vest over a period of eighteen months.

The Company further announces that it has entered into a digital marketing agreement with Wallace Hill Partners Ltd. ("WHP"), an independent company that provides digital marketing services to public companies. The engagement has a 12-month term and may be terminated by the Company at any time. Pursuant to the agreement, the Company will pay \$100,000 to WHP in consideration for the services provided thereunder, including, among other things, online marketing and publishing services through internal and third-party advertisers, to further increase the Company's profile. In addition to the Option grants to directors, officers, employees and consultants set forth above, the Company has granted Options to purchase 150,000 common shares of the Company to WHP. Such Options have an exercise price of \$3.49 per share and are valid for a period of two years. The options vest incrementally over a 12-month period.
