

California Gold Mining Inc. Announces Postponement of Annual and Special Meeting of Shareholders

14.06.2021 | [CNW](#)

TORONTO, June 14, 2021 - [California Gold Mining Inc.](#) (CSE: CGM) ("California Gold") today announced that it is postponing its annual and special meeting of shareholders (the "Meeting") to June 29, 2021 at 4:30 p.m. ET to provide its shareholders with additional time to vote on the proposals submitted for shareholder approval at the Meeting (the "Arrangement") with Stratabound Minerals Corp. ("Stratabound"). As of the prior proxy deadline, approximately 26.5 million shares representing 62.44% of the total California Gold shareholders have voted in favor of the Arrangement and approximately 16 million shares representing 37.56% of the total California Gold shareholders have voted against the Arrangement. However, approval of the Arrangement requires the affirmative vote of at least two-thirds (66 2/3%) of the votes cast in respect of the resolution at the Meeting in person or by proxy by the California Gold shareholders.

Larry Phillips, California Gold's Interim President, Chief Executive Officer, and Director, commented:

"The entire California Gold board continues to believe the Arrangement is in the best interest of all shareholders. The proposed Arrangement with Stratabound is the culmination of several months of careful analysis of value-enhancing opportunities together with our financial advisor Red Cloud Securities Inc., which led to a thoughtful process that involved 86 potential investors and potential strategic buyers. The pro forma company will be well-capitalized with a strong net cash position, shareholder base and team in place to advance the flagship Fremont Gold project for the benefit of both Stratabound and California Gold shareholders. After careful consideration, the board has taken the decision to postpone the meeting in order to understand the concerns of those shareholders opposing the Arrangement as well as to provide additional time for all shareholders who have not voted to fully assess the merits of the Arrangement as disclosed in publicly available information."

The record date for determining the shareholders eligible to vote at the Meeting will remain the close of business on May 12, 2021. Shareholders who have already submitted a proxy do not need to vote again for the postponed Meeting.

Of particular importance, California Gold's board of directors strongly recommends that all shareholders to vote "FOR" the Arrangement.

California Gold shareholders as of close of business on May 12, 2021 who have not voted are encouraged to vote online at www.proxyvote.com. The updated proxy voting deadline to vote is June 25, 2021 at 4:30 p.m. Eastern time. California Gold shareholders who require assistance with voting their shares or have questions may contact the California Gold by email at lpillips@caligold.ca.

Shareholders who have already submitted proxies and want to change their proxy can update their vote at any time before the votes are cast at the Meeting. Your vote will be recorded at the Meeting in accordance with your most recently submitted proxy.
