[Hochschild Mining plc](#) begins trading today on OTCQX under the symbol "HCHDF." U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the company on www.otcmarkets.com.

Upgrading to the OTCQX Market is an important step for companies seeking to provide transparent trading for their U.S. investors. Ignacio Bustamante, Chief Executive Officer, [Hochschild Mining plc](#) said:

"We see trading on the OTCQX Market as a valuable opportunity and believe it will provide the company with a cost-effective way to access U.S. investors, who have shown a strong historical appetite for investing in non-U.S. stocks as well as the global mining sector. We expect Hochschild's focus on silver and gold and also on rare earths to be of particular interest to U.S. investors and we are optimistic that this interest will translate into increased U.S. ownership in our shares."

Berns & Berns acted as the company's OTCQX sponsor.
