

Southern Energy Corp. Announces Amendments to its 8% Convertible Unsecured Subordinated Debentures

29.06.2021 | [CNW](#)

CALGARY, June 28, 2021 - [Southern Energy Corp.](#) ("Southern" or the "Company") (TSXV: SOU) announces that the Company has received an extraordinary resolution from the holders (the "Debentureholders") of its outstanding 8% convertible unsecured subordinated debentures (the "Debentures") approving certain amendments to the debenture indenture entered into between the Company and Computershare Trust Company of Canada (the "Trustee") dated June 14, 2019 (the "Indenture Amendments"). The Indenture Amendments will: (a) extend the maturity date of the Debentures by two years to June 30, 2024; (b) decrease the conversion price for the Debentures from \$0.125 to \$0.10; and (c) allow the Company to satisfy its obligation to pay interest on the Debentures by, among other things, delivering freely tradeable common shares in the capital of the Company to the Trustee for distribution directly to the Debentureholders as a payment in-kind of accrued interest on the Debentures.

Southern intends to enter into a supplemental indenture (the "Supplemental Indenture") with the Trustee to effect the Indenture Amendments on June 30, 2021, subject to the approval of the TSX Venture Exchange. A copy of the Supplemental Indenture will be filed under the Company's profile on SEDAR at www.sedar.com.

About Southern Energy Corp.

[Southern Energy Corp.](#) is an oil and natural gas exploration and production company. Southern has a primary focus on acquiring and developing conventional natural gas and light oil resources in the southeast Gulf States of Mississippi, Louisiana, and East Texas. Forward Looking Statements. Certain information included in this press release constitutes forward-looking information under applicable securities legislation. Forward-looking information typically contains statements with words such as "anticipate", "believe", "expect", "plan", "intend", "estimate", "propose", "project" or similar words suggesting future outcomes or statements regarding an outlook. Forward-looking information in this press release includes, but is not limited to, statements concerning the Indenture Amendments, including the execution of the Supplemental Indenture and the approval of the TSX Venture Exchange. The forward-looking statements contained in this press release are based on certain key expectations and assumptions made by Southern, including receipt of the required approvals from the TSX Venture Exchange. Although Southern believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because Southern can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to: risks associated with the oil and gas industry in general (e.g., operational risks in development, exploration and production); continuing negative effects of the COVID-19 pandemic on general market conditions and commodity prices; the potential for required COVID-19 preventative measures to delay resumption of deliveries on the Mechanicsburg gathering system; continuing destabilizing action from OPEC+ members causing further decline in oil prices; the uncertainty of reserve estimates; the uncertainty of estimates and projections relating to production, costs and expenses, and health, safety and environmental risks, especially given public health concerns arising from the COVID-19 pandemic; constraint in the availability of services; commodity price and exchange rate fluctuations; changes in legislation impacting the oil and gas industry; adverse weather or break-up conditions; and uncertainties resulting from potential delays or changes in plans with respect to exploration or development projects or capital expenditures. Other risks faced by the Company are set out in more detail in Southern's Annual Information Form for the year ended December 31, 2020, which is available under the Company's SEDAR profile at www.sedar.com. The forward-looking information contained in this press release is made as of the date hereof and Southern undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, unless required by applicable securities laws. The forward-looking information contained in this press release is expressly qualified by this cautionary statement.
