About Ely Gold Royalties Inc.

[Ely Gold Royalties Inc.](#) is a Nevada-focused gold royalty company. Its current portfolio includes royalties at Jerritt Canyon, Goldstrike and Marigold, three of Nevada's largest gold mines, as well as the Fenelon mine in Quebec, operated by Wallbridge Mining. Ely Gold continues to actively seek opportunities to purchase producing or near-term producing royalties. Ely Gold also generates development royalties through property sales on projects that are located at or near producing mines. Management believes that due to Ely Gold's ability to locate and purchase third-party royalties, its strategy of organically creating royalties and its gold focus, Ely Gold offers shareholders a favorable leverage to gold prices and low-cost access to long-term gold royalties in safe mining jurisdictions.
