

Metallica Metals Closes Private Placement

08.07.2021 | [GlobeNewswire](#)

VANCOUVER, July 08, 2021 - [Metallica Metals Corp.](#) (CSE: MM) (OTC: MTALF) (FWB: SY7P) (the "Company" or "Metallica Metals") announces that it has closed a non-brokered private placement (the "Private Placement") of 3,266,666 units of the Company (the "Units") at a price of \$0.30 per Unit for gross proceeds of \$980,000. Each Unit consists of one (1) common share of the Company (a "Common Share") and one transferable Common Share purchase warrant (each a "Warrant"). Each Warrant entitles the holder thereof to purchase one (1) additional Common Share for a period of two (2) years from closing at a price of \$0.60 per Common Share.

The Company intends to use the net proceeds from the Private Placement for general ongoing working capital and corporate purposes.

No finder's fees have been paid in connection with the Private Placement. All securities issued are subject to a statutory four month and one day hold period that will expire on November 9, 2021.

On behalf of the Board of Directors

[Metallica Metals Corp.](#)

Forward-looking Information Statement

This news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. In particular, forward-looking information in this press release includes, but is not limited to, statements with respect to the Company's proposed acquisition, exploration program and the expectations for the mining industry. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in

the forward-looking information include, but are not limited to: general economic conditions in Canada and globally; industry conditions, including governmental regulation and environmental regulation; failure to obtain industry partner and other third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; liabilities inherent in water disposal facility operations; competition for, among other things, skilled personnel and supplies; incorrect assessments of the value of acquisitions; geological, technical, processing and transportation problems; changes in tax laws and incentive programs; failure to realize the anticipated benefits of acquisitions and dispositions; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.

Neither the Canadian Securities Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
