Company Executives share vision and answer questions live at VirtualInvestorConferences.com

NEW YORK, July 20, 2021 - Virtual Investor Conferences, the leading proprietary investor conference series, today announced the agenda for the upcoming Green Energy and Precious Metals Investor Conference on July 27th, 28th & 29th. Individual institutional investors, advisors, and analysts are invited to listen to the executive management of green energy and precious metals companies discuss their property positions, development schedules, market opportunity, and investment highlights.

July 27th agenda focuses on companies representing exploration, development and production of various metals and minerals. These resources are crucial elements of the power supply chain for the emerging "Green Power" infrastructure. Presenting companies include Uranium, Cobalt, Lithium, Nickel and Rare Earth entities.

July 28th and 29th agenda includes a roster of Base and Precious Metals companies including Gold, Silver, Copper and Platinum entities. The program opens at 8:45 AM ET, with the first webcast at 9:00 AM ET on Tuesday, July 27th.
