Vancouver, August 4, 2021 - [Ely Gold Royalties Inc.](#) (TSXV: ELY) (OTCQX: ELYGF) ("Ely Gold" or the "Company") reports that Institutional Shareholder Services Inc. ("ISS") and Glass Lewis and Co., LLC ("Glass Lewis") have recommended that Ely shareholders vote FOR its previously announced plan of arrangement (the "Arrangement") with Gold Royalty Corp. (NYSE MKT: GROY) ("GRC") announced on June 21, 2021 "Gold Royalty and Ely Gold to Combine to Create a Leading Precious Metals Royalty Company".

Ely Gold is holding a meeting of shareholders (the "Meeting") on August 17, 2021 to seek shareholder approval for the Arrangement. Completion of the Arrangement will require:

- approval of at least 66 2/3% of the votes cast by Ely Gold shareholders at the Ely Gold Meeting, and
- approval of a simple majority of the votes cast by Ely Gold shareholders at the Ely Gold Meeting, excluding votes from certain management shareholders, as required under Multilateral Instrument 61-101.

Pursuant to the Arrangement, among other things, GRC will indirectly acquire the outstanding common shares of Ely Gold (the "Ely Shares"). Under the terms of the Arrangement, each holder of Ely Shares will have the option to receive consideration per ELY Share of either:

- \$1.46 in cash; or
- 0.2450 of a GROY common share (a "GROY Share"), plus \$0.0001 in cash (the "Share Consideration"),

in each case, subject to pro-ration based on a maximum aggregate cash consideration of \$84 million and a maximum aggregate number of GROY Shares issued of approximately 41.5 million.

ISS and Glass Lewis are leading independent proxy advisory firms who provide voting recommendations to institutional shareholders.

Both ISS and Glass Lewis have recommended that holders of Ely Shares vote FOR the special resolution respecting the Arrangement at the upcoming special meeting of Ely Gold's shareholders to be held on August 23, 2021 (the "Meeting").

In reaching its conclusion, ISS noted:

ISS:

Vote FOR this proposal based on a review of the terms of the transaction, in particular, significant premium, the favourable market reaction, and the reasonable strategic rationale. The combined entity will be a much larger firm positioned to become a leading growth and Americas-focused precious metals royalty company with a stronger balance sheet and easier access to capital. The cash consideration provides certainty of value and immediate liquidity at a significant premium while the share consideration provides the opportunity to continue to participate in the growth of the combined entity.

Glass Lewis:

We believe there is sufficient cause for investor support at this time. Accordingly, we recommend shareholders vote FOR this proposal.
