

Avanti Energy Announces DTC Eligibility

09.08.2021 | [CNW](#)

VANCOUVER, Aug. 9, 2021 - [Avanti Energy Inc.](#) (TSXV: AVN) (US OTC PINK: ARGYF) (the "Company") is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company ("DTC") in the United States. DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be "DTC eligible". DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company's common shares in the United States.

"We are pleased to have obtained DTC eligibility," said Chris Bakker, Avanti Energy CEO. "DTC eligibility simplifies the process of trading and transferring Avanti Energy shares between brokerages in the United States and reduces the costs incurred in trading shares. With our shares now DTC eligible, we expect this to lead to greater liquidity and execution speeds, as well as our shares being accessible to an even broader range of investors."

The Company's common shares are listed for trading on the OTC, a U.S. based securities trading system, under the symbol "ARGYF". The Company's shares will continue to be traded on the TSX Venture Exchange ("TSXV") under its existing symbol "AVN".

Avanti is also pleased to announce that it has retained Hybrid Financial Ltd. ("Hybrid") to provide marketing services to the Company, pursuant to a consulting agreement dated July 29, 2021. Hybrid has been engaged to broaden market and brand awareness for Avanti and its helium projects in North America within the investment community (the "Services").

Hybrid has agreed to comply with all applicable securities laws and the policies of the TSX Venture Exchange (the "TSXV") in providing the Services.

Hybrid has been engaged by the Company for an initial period of six-months starting August 9, 2021 (the "Initial Term") and then shall be renewed automatically for successive three-month periods thereafter, unless terminated by the Company in accordance with the Agreement. Hybrid will be paid a monthly fee of \$15,000, plus applicable taxes, during the Initial Term.
