

Anglo Pacific Group PLC Announces Interim Results for 6 Months Ended 30 June 2021

25.08.2021 | [ACCESS Newswire](#)

LONDON, August 25, 2021 - [Anglo Pacific Group PLC](#) ('Anglo Pacific', the 'Company', the 'Group') (LSE:APF)(TSX:APY) is pleased to announce interim results for the six months ended 30 June 2021 which are available on both the Group's website at www.anglopacifigroup.com and on SEDAR at www.SEDAR.com.

Following the transformational \$205m Voisey's Bay cobalt stream acquisition in March 2021 and the associated financing, the Company has determined that it is now appropriate to commence reporting results in US dollars rather than in British pounds. With four of the Group's nine royalties being received in US dollars, the majority of Anglo Pacific's revenue, and the remaining ones largely being based on US dollar prices but then converted to local currency, the Company feels now is the right time to transition its presentation currency to one that more appropriately reflects the underlying performance of the business and is in line with its peers.

The change in presentation currency does not impact the underlying business nor dividends, in particular the previously announced interim dividends of 1.75p per share to be paid in November 2021, December 2021 and February 2022.
