Forward-Looking Statements: This press release includes "forward-looking statements" within the meaning of U.S. federal securities laws. Forward-looking statements are any statements other than statements of historical fact. Forward-looking statements are not guarantees of future performance, and actual results may differ materially from these statements. Forward-looking statements are often identified by words like "will," "may," "could," "should," "would," "believe," "estimate," "expect," "anticipate," "plan," "forecast," "potential," "intend," "continue," "project," or negatives of these words or similar expressions. Forward-looking statements include, among others, statements about dividends and capital allocation.

Factors that could cause actual results to differ materially from these forward-looking statements include, among others, the following: a lower-price environment for gold or other metals; development activities relating to the mines; adverse economic and market conditions; changes in laws or regulations; and other factors described in our reports filed with the Securities and Exchange Commission, including our Form 10-K for the fiscal year ended June 30, 2021. Most of these factors are beyond our ability to predict or control.

Forward-looking statements speak only as of the date on which they are made. We disclaim any obligation to update any forward-looking statements, except as required by law. Readers are cautioned not to put undue reliance on forward-looking statements.
