Bernie Kahlert Retirement from the Board

The company also wishes to note the retirement from the board of Mr. Bernie Kahlert. Mr. Kahlert will continue to be very active with the company as a Technical Advisor where his extensive knowledge and expertise will be a valuable contribution to the Company's exploration activities.

Robert Cameron, President and CEO states, "Bernie has been a long-term valuable contributor to the Company having first joined our predecessor company, Major General Resources, in 1990 and then becoming a director in 1998. Bernie remains involved with Commander as a Technical Advisor where he will contribute to our ongoing exploration and development projects.

I also welcome our two new directors Kelly Bateman and Vanessa Pickering who will bring a valuable new perspective to our Company, and I look forward to working with them as we continue to advance the Company and our many exciting projects."
