

Millennial Lithium Corp. Announces Correction to Stock Option Exercise Price

02.11.2021 | [Newsfile](#)

[Millennial Lithium Corp.](#) (TSXV: ML) (FSE: A3N2) (OTCQX: MLNLF) ("Millennial" or the "Company") wishes to announce a correction to certain incentive stock options previously granted by the Company. On March 24, 2021, the Company announced the granting of 3,435,000 incentive stock options (the "Options") to certain directors, officers, employees and consultants of the Company and its Argentina subsidiary, Proyecto Pastos Grandes S.A. The Options were granted under the terms and conditions of the Company's incentive stock option plan and had been announced at a price of \$2.98 per common share. In accordance with the TSX Venture Exchange policies, the minimum allowable option exercise price at the time of grant was \$3.65 per common share. As such, the exercise price of the Options has been corrected accordingly. The 3,435,000 Options are exercisable for a period of five (5) years from the original grant date at a price of \$3.65 per common share.

This news release may contain certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. When used in this news release, the words "anticipate", "believe", "estimate", "expect", "target", "plan", "forecast", "may", "schedule" and similar words or expressions identify forward-looking statements or information. These forward-looking statements or information may relate to future prices of commodities, accuracy of mineral or resource exploration activity, reserves or resources, regulatory or government requirements or approvals including approval of title and mining rights or licenses, the reliability of third party information, continued access to mineral properties or infrastructure, changes in laws, rules and regulations in Argentina which may impact upon the Company or its properties or the commercial exploitation of those properties, currency risks including the exchange rate of USD\$ for Cdn\$, fluctuations in the market for lithium, changes in exploration costs and government royalties, export policies or taxes in Argentina and other factors or information. The Company's current plans, expectations and intentions with respect to development of its business and of the Pastos Grandes Project may be impacted by economic uncertainties arising out of the Covid-19 pandemic or by the impact of current financial and other market conditions on its ability to secure further financing or funding of the Pastos Grandes Project. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
