

Live Virtual Investor Conference: Critical and Precious Metals Company Executives Present November 10th & 11th

08.11.2021 | [CNW](#)

Company Executives share vision and answer questions live at VirtualInvestorConferences.com

NEW YORK, Nov. 8, 2021 - Virtual Investor Conferences, the leading proprietary investor conference series, today announced the upcoming Critical and Precious Metals Investor Conference on November 10th & 11th.

This two-day investor focused Webinar will feature presentations and speakers discussing worldwide investment opportunities in Critical Metals, including Copper, Base, Lithium, and Battery, and Precious Metals. Day one will showcase executives from exploration and production companies that are focused on key elements for global sustainable economic growth. Day two will focus on other precious metals.

Individual investors, institutional investors, advisors, and analysts are invited to listen to the executive management of mining companies discuss their property positions, development schedules, market opportunity, and investment highlights.

REGISTER NOW AT: <https://bit.ly/3q4vkBi>

It is recommended that investors pre-register and run the online system check to expedite participation and receive event access at no cost to log-in, attend live presentations or ask questions.

"OTC Markets is delighted to host the Critical and Precious Metals virtual investor conference co-sponsored by Murdoch Resources Advisory LLC," said Jason Paltrowitz, Executive Vice President of Corporate Services at OTC Markets Group. "We are proud of our platform for issuers that allows them to engage a broader investor base. We welcome the participation of our keynote speakers, Chris Berry, Jack Lifton, Rob Keintz and Jeffrey M. Christian, at this signature event."
