VANCOUVER, Nov. 14, 2021 - [Teck Resources Ltd.](#) (TSX: TECK.A and TECK.B, NYSE: TECK) ("Teck") has been named to the S&P Dow Jones Sustainability World Index (DJSI) for the 12th consecutive year and is ranked #1 in the Metals and Mining industry category on the DJSI for 2021.

"We recognize that sustainability is foundational to our success and being socially and environmentally responsible is core to how we operate as a company," said Don Lindsay, President and CEO. "This commitment is led by our people, who are dedicated to providing essential resources while caring for communities and the environment."

The DJSI ranking indicates that Teck's sustainability practices are in the top 10 percent of the 2,500 largest companies in the S&P Global Broad Market Index (BMI). Teck is a leader in the Metals and Mining industry, based on an in-depth analysis of economic, social and environmental performance. Teck scored the industry best score in the Social category which measures performance in topics related to diversity, health and safety, labour practices, human rights, community impacts and community investment.
