

Maple Gold Announces \$5 Million Bought Deal Private Placement of Flow-Through Shares

18.11.2021 | [CNW](#)

/NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/

VANCOUVER, Nov. 18, 2021 - [Maple Gold Mines Ltd.](#) (TSXV: MGM) (OTCQB: MGMLF) (FSE: M3G) ("Maple Gold" or the "Company") is pleased to announce that it has entered into an agreement pursuant to which Cormark Securities Inc. and Agentis Capital (together, the "Underwriters"), have agreed to purchase, on a "bought deal" private placement basis, 9,300,000 common shares in the capital of the Company that will qualify as "flow-through shares" (within the meaning of subsection 66(15) of the Income Tax Act (Canada) and section 359.1 of the Taxation Act (Québec)) (the "FT Shares") (the "Issue Price") at a price of \$0.54 per FT Share for gross proceeds of \$5,022,000 (the "Offering").

The Underwriters will have the option, exercisable in whole or in part at any time up to 48 hours prior to the closing of the Offering, to arrange for the purchase of up to an additional 3,720,000 FT Shares at the Issue Price.

The gross proceeds from the issuance of the FT Shares will be used for Canadian exploration expenses and will qualify as "flow-through mining expenditures", as defined in subsection 127(9) of the Income Tax Act (Canada) and under section 359.1 of the Taxation Act (Québec) (the "Qualifying Expenditures"), which will be incurred on or before December 31, 2022 and renounced to the subscribers with an effective date no later than December 31, 2021 in an aggregate amount not less than the gross proceeds raised from the issue of the FT Shares. In addition, with respect to Québec resident subscribers who are eligible individuals under the Taxation Act (Québec), the Canadian exploration expenses will also qualify for inclusion in the "exploration base relating to certain Québec exploration expenses" within the meaning of section 726.4.10 of the Taxation Act (Québec) and for inclusion in the "exploration base relating to certain Québec surface mining expenses or oil and gas exploration expenses" within the meaning of section 726.4.17.2 of the Taxation Act (Québec). If the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each FT Share subscriber for any additional taxes payable by such subscriber as a result of the Company's failure to renounce the Qualifying Expenditures as agreed.

The Offering is expected to close on or about December 9, 2021, or such other date as the Company and the Underwriters may agree and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the acceptance of the TSX Venture Exchange.

The FT Shares will be offered for sale by way of private placement pursuant to applicable exemptions from the prospectus requirements in each of the provinces of Canada, and in such other jurisdictions as may be mutually agreed between the Company and the Underwriters. The securities issued under the Offering will be subject to a four month hold period under applicable Canadian securities laws.

The securities offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, or any state securities law, and may not be offered, sold or delivered, directly or indirectly, within the United States, or to or for the account or benefit of U.S. persons, absent registration or an exemption from such registration requirements. This news release does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of securities in any state in the United States in which such offer, solicitation or sale would be unlawful.

About Maple Gold

[Maple Gold Mines Ltd.](#) is a Canadian advanced exploration company in a 50/50 joint venture with [Agnico](#)

[Eagle Mines Ltd.](#), to jointly advance the district-scale Douay and Joutel gold projects located in Quebec's prolific Abitibi Greenstone Gold Belt. The projects benefit from exceptional infrastructure access and boast ~400 km² of highly prospective ground including an established gold resource at Douay (RPA 2019) that holds significant expansion potential as well as the past-producing Eagle, Telbel and Eagle West mines at Joutel. The Company also holds an exclusive option to acquire 100% of the Eagle Mine Property.

The district-scale property package also hosts a significant number of regional exploration targets along a 55 km strike length of the Casa Berardi Deformation Zone that have yet to be tested through drilling, making the project ripe for new gold and polymetallic discoveries. The Company is well capitalized and is currently focused on carrying out exploration and drill programs to grow resources and make new discoveries to establish an exciting new gold district in the heart of the Abitibi.
