CALGARY, November 24, 2021 - [Prospera Energy Inc.](#) (TSXV:PEI)(OTC PINK:GXRFF) (FRA:OF6B) ("PEI" or the "Company") restructured in the first quarter of 2021. The new management team is focused on improving growth, efficiency, positive business relationships, accountability, and responsibility. PEI has launched a new website reflecting the changes being made within the Company and our direction for the future. This website outlines the Company's current operations, introduces the new leadership team and guiding Board of Directors and highlights PEI's core values.

PEI is working towards growing sustainable operations through productive relationships with landowners, business partners, employees, regulators, and the public. We are seeking proactive and innovative ways to improve safety and sustainability, and to manage the impact on the environment and our neighbors. We expect the enactment of these values, combined with strong leadership and a sound technical strategy to improve operating efficiency, and increase profit margins. PEI is striving to become a positive example in Canadian oil and gas as a clean, safe energy producer. Our goal is to become a company that brings value to our partners, our shareholders and to the industry in Canada as a whole.
