01.12.2021 | [GlobeNewswire](#)

VANCOUVER, Dec. 01, 2021 - [Straightup Resources Inc.](#) ("StraightUp" or the "Company") (CSE: ST; OTCQB: STUPF) is pleased to announce that it has received confirmation from the Depository Trust Company ("DTC") that its common shares are now eligible for electronic clearing and settlement through DTC in the United States. DTC eligibility reduces costs and accelerates the settlement process for investors and brokers, allowing the Company's common shares to be traded over a much wider selection of brokerage firms by coming into compliance with their requirements.

DTC is a subsidiary of The Depository Trust & Clearing Corp., a company that manages the electronic clearing and settlement of publicly-traded companies in the United States.

Commentary

StraightUp's President and CEO Mark Brezer said, *"DTC eligibility improves StraightUp's access to the marketplace during our next phase of growth. I expect our shareholders to benefit from the liquidity and ease at which shares can now be electronically transferred between U.S. brokerages, at a lower cost and greater efficiency."*
