## About Nippon

Nippon is active in the exploration and the development of gold resources in Quebec. Nippon also has an exclusive license for the Thermal Fragmentation mining process.

The company's growth strategy is based on:

&#8226; The development of its gold deposit with the objective of producing revenue from its operations;

&#8226; Increasing the value of its mining asset by prioritizing its exploration targets; and

&#8226; The commercialization and deployment of its thermal fragmentation technology.

On behalf of the Board,

Fabien Miller, Eng., M.Sc.  
Director
