VANCOUVER, December 13, 2021 - [Musk Metals Corp.](#) ("MUSK METALS" OR THE "COMPANY") (CSE:MUSK)(OTC PINK:EMSKF)(FSE:1I30) is pleased to announce it has closed two concurrent flow-through private placements (Dec. 3, 2021) for aggregate proceeds of \$674,980.

The Company closed one private placement of 3,408,909 units at a price of \$0.11 per unit for gross aggregate proceeds of \$374,980 (the "Quebec FT Offering"). Each unit of the Quebec FT Offering is comprised of one common share of the Company to be issued as a flow-through share (as defined in Subsection 66(15) of the Income Tax Act (Canada) and Subsection 359.1 of the Taxation Act (Quebec)), and one-half of one non-flow-through share purchase warrant, with each warrant entitling the holder to purchase one additional share (each, a "Warrant Share") (on a non-flow-through basis) at a price of \$0.13 per warrant share for a period of two years following the closing of the Quebec FT Offering.

The Company also closed a private placement of 3,000,000 units at a price of \$0.10 per unit for gross proceeds of \$300,000 (the "National FT Offering"). Each unit of the National FT Offering consists of one common share of the Company to be issued as a flow-through share (as defined in Subsection 66(15) of the Income Tax Act (Canada)), and one-half of one non-flow-through share purchase warrant, with each warrant entitling the holder to purchase one additional Warrant Share (on a non-flow-through basis) at a price of \$0.13 per warrant share for a period of two years following the closing of the National FT Offering.

The Company paid an aggregate of \$63,498, issued 304,530 Quebec Broker Warrants, and issued 300,000 National Broker Warrants in connection with the closing of both offerings. Each Quebec Broker Warrant entitles the holder to purchase one additional Share (on a non-flow-through basis) at a price of \$0.11 per Quebec Broker Warrant Share for a period of two years following the closing of the Quebec FT Offering. Each National Broker Warrant entitles the holder to purchase one additional Share (on a non-flow-through basis) at a price of \$0.10 per National Broker Warrant Share for a period of two years following the closing of the National FT Offering.

All securities issued in connection with the Offering are subject to a statutory hold period expiring four months and one day after closing of the Offering.

The aggregate gross proceeds from the sale of the Quebec Offering are expected to be used for exploration expenditures in connection with the Company's mineral projects located in the Province of Quebec, Canada. The aggregate gross proceeds from the sale of the National Offering are expected to be used for exploration expenditures in connection with the Company's mineral projects located throughout Canada.

None of the securities sold in connection with the Offering will be registered under the United States Securities Act of 1933, as amended, and no such securities may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

**FORWARD-LOOKING STATEMENTS**

This news release contains forward-looking statements. All statements, other than statements of historical fact that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future are forward-looking statements. Forward-looking statements in this news release include statements regarding: the anticipated number of work programs to be initiated by the Company, their expected duration and temporal proximity, the evaluation of additional near-term acquisitions by the Company, the Offering and its terms, including the intended use of proceeds thereof; and other matters regarding the business or plans of the Company. The forward-looking statements reflect management's current expectations based on information currently available and are subject to a number of risks and uncertainties that may cause outcomes to differ materially from those discussed in the forward-looking statements including: that the Company may not initiate or complete the exploration programs on the Pluto properties, that the Company may not identify or be able to close any potential acquisition, that the Offering may not close at all or on the terms announced; that the Company may use the proceeds of the Offering for purposes other than those disclosed in this news release; adverse market conditions; and other factors beyond the control of the Company. Although the Company believes that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and, accordingly, undue reliance should not be put on such statements due to their inherent uncertainty. Factors that could cause actual results or events to differ materially from current expectations include general market conditions and other factors beyond the control of the Company. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by applicable law.
