

# Nevada Silver Corp. Announces Us Listing On OTCQB Marketplace Under Symbol NVDSF

10.01.2022 | [ACCESS Newswire](#)

TORONTO, Jan. 10, 2022 - [Nevada Silver Corporation](#) ("NSC" or the "Company") (TSXV: NSC) (OTCQB:NVDSF) is pleased to announce that it has obtained approval for trading on the OTCQB, a US trading platform operated by OTC Markets Group in New York. The Company's common stock will officially commence trading today on the OTCQB under the ticker symbol "NVDSF". Investors can find quotes for the Company's common stock on [www.otcmarkets.com](http://www.otcmarkets.com).

Gary Lewis, CEO at Nevada Silver said, "With two US-based exploration projects, expanding our reach into the US institutional and retail investment community was a logical extension of our investor relations strategy. The OTCQB listing will greatly enhance visibility and liquidity in one of the largest investor markets globally."

The OTCQB is the venture tier of OTC Markets on which 11,000 U.S. and global securities trade. The OTCQB is recognized by the United States Securities and Exchange Commission as an established public market providing public information for analysis and value of securities. OTC Markets Group enables investors to easily trade through the broker of their choice and empowers companies to improve the quality of information available for investors. OTCQB listed companies must be current in their financial reporting and undergo an annual verification and management certification process, including meeting a minimum bid price and other financial conditions. With more compliance and quality standards, the OTCQB provides investors improved visibility to enhance trading decisions.

## About Nevada Silver Corporation

[Nevada Silver Corp.](#) (TSXV: NSC) (OTCQB: NVDSF) is a multi-commodity resource company with two exploration projects in the USA. NSC's principal asset is the Corcoran Silver-Gold Project in Nevada. In addition, NSC has management and ownership rights over the Emily Manganese Project in Minnesota, which has been the subject of considerable technical studies, with US\$24 million invested to date. Both Corcoran and Emily have been the subject of National Instrument 43-101 compliant mineral resource estimates.

## Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking information") within the meaning of applicable securities laws. Forward-looking information is generally identifiable by use of the words "believes," "may," "plans," "will," "anticipates," "intends," "could", "estimates", "expects", "forecasts", "projects" and similar expressions, and the negative of such expressions.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the Company's actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking information, including, without limitation, risks as a result of the Company having a limited operating history and may have a wide variance from actual results, risks concerning the ability to raise additional equity or debt capital to continue its business, uncertainty

regarding the inclusion of inferred mineral resources in the mineral resource estimate which are too speculative geologically to be classified as mineral reserves, uncertainty regarding the ability to convert any part of the mineral resource into mineral reserves, uncertainty involving resource estimates and the ability to extract those resources economically, or at all, uncertainty involving exploration (including drilling) programs and the Company's ability to expand and upgrade existing resource estimates, risks involved in any future regulatory processes and actions, risks from making a production decision (if any) without any feasibility study completed on the Company's properties, risks applicable to mining exploration, development and/or operations generally, and risk as a result of the Company being subject to certain covenants with respect to its activities by creditors, as well as other risks.

Forward-looking information is based on the reasonable assumptions, estimates, analysis, and opinions of management made in light of its experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances at the date such statements are made. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information.

All forward-looking information herein is qualified in its entirety by this cautionary statement, and the Company disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events, or developments, except as required by law.
