About Sequire Metals & Mining Conference

With a massive uptick in the mining industry and electric vehicles on the rise, Sequire is spending the entire day with public mining companies and industry experts exploring possibilities, opportunities, and the latest news.

About Discovery Harbour

Discovery Harbour is focused on sourcing, exploring and developing mineral properties in mining-friendly jurisdictions. Its current primary focus is the Caldera low sulphidation epithermal gold project in Nevada. Additionally, Discovery Harbour has an agreement with Newcrest Resources, Inc on its Fortuity 89 property in Nevada.

Disclaimer for Forward-Looking Information

This news release contains forward-looking information that involves various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of Discovery Harbour, such as statements that Discovery Harbour intends to pursue the Caldera Project. There are numerous risks and uncertainties that could cause actual results and Discovery Harbour's plans and objectives to differ materially from those expressed in the forward-looking information, including: (i) adverse market conditions; (ii) exploration results, (iii) permitting requirements or (iii) the financial position of the Company. Actual results and future events could differ materially from those anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. Except as required by law, Discovery Harbour does not intend to update these forward-looking statements.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
