

RJK Announces Closing of Private Placement

17.02.2022 | [Newsfile](#)

Kirkland Lake, February 17, 2022 - [RJK Explorations Ltd.](#) (TSXV: RJK.A) (OTC Pink: RJKAF) ("RJK" or "the Company") announces that it has closed a non-brokered private placement offering of units ("Units"). Pursuant to this closing, the Company raised a total of \$100,000 for the issuance of 833,333 Units of the Company at a price of \$0.12 per Unit.

Each Unit consists of one Class A common share of the Company ("Common Share") and one class A common share purchase warrant (each such warrant, a "Warrant"). Each Warrant will entitle the holder to purchase one Common Share in the capital of the Company at a price of \$0.25 for a period of three years. The gross proceeds from the sale of the Units will be used to for general working capital and to fund exploration work on the Company's Cobalt Ontario Diamond Project.

All securities issued pursuant to the Offering are subject to a statutory hold period ending June 18, 2022. The Offering remains subject to final acceptance by the TSX Venture Exchange.

Forward Looking Information

This news release includes certain forward-looking information and forward-looking statements which may include, but are not limited to, statements concerning the Offering generally, the proposed use of the proceeds, the Company's exploration plans, and the granting of options. Any statements contained herein that are not statements of historical facts or current conditions, are deemed to be forward-looking, including those identified by the expressions, "will", "anticipate", "believe", "plan", "estimate", "expect", "intend", "propose", "if", "hopes to", or certain statements that certain actions, events or results "may", "could", "would", "might", or "will be taken", "will occur", "will continue", or "will demonstrate". Such forward-looking statements and information are subject to various known and unknown risks many of which are beyond the Company's ability to control or predict, that may cause the Company's actual results, performance or achievements to materially differ from those expressed or implied thereby, and are developed on assumptions about such risks including: (a) general economic, industry and market conditions; (b) changes in applicable laws and regulations; (c) changes in operating risks, including fluctuations in commodity prices; (d) increased competition; (e) stock market volatility; (f) ability to obtain additional financing; (g) industry consolidation; (h) the execution of strategic growth plans; and (i) management's success in anticipating and managing the foregoing risks. In making these statements, the Company has made assumptions with respect to future capital expenditures, trends and developments in the mining industry, business strategy and outlook, expansion and growth of business operations, accounting policies, credit risks, opportunities available to or pursued by the Company, and other matters. Should one or more of these risks materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. The Company assumes no obligation to update the forward-looking information or statements or to update the reasons why actual results could differ from those reflected in the forward-looking statements except as required by applicable law.
