Vancouver, February 28, 2022 - [Nortec Minerals Corp.](#) (TSXV: NVT) (the "Company" or "Nortec"): The Company announces that it has received an extension to its non-brokered private placement announced on November 9, 2021 of up to 12,500,000 units at a price of \$0.02 per unit (the "Units") to raise gross proceeds of up to \$250,000 (the "Offering"). The extended final date for acceptance of the Offering is March 28, 2022. Each Unit will consist of one common share and one common share purchase warrant entitling the holder to purchase one additional common share at an exercise price of \$0.05 per common share for a period of five years from the date of issue.

The Company may pay finder's fees and/or commissions to eligible persons in connection with the Offering in accordance with applicable securities laws and the policies of the TSX Venture Exchange.

In accordance with applicable securities laws, all securities issued under the Offering will be subject to a four month and one day hold period from the date of issuance. Closing of the Offering is subject to certain conditions customary for transactions of this nature, including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange.

No securities regulatory authority has either approved or disapproved of the contents of this news release. The securities of the Company have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, or any state securities laws, and may not be offered or sold in the United States, or to or for the account or benefit of any person in the United States, absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any common shares in the United States, or in any other jurisdiction in which such offer, solicitation or sale would be unlawful.
