

Phenom Announces Closing of Fully Subscribed \$3,000,000 Private Placement Financing

03.03.2022 | [Newsfile](#)

Vancouver, March 3, 2022 - [Phenom Resources Corp.](#) (TSXV: PHNM) (OTCQX: PHNMF) (FSE: 1PY0) ("Phenom" or the "Company") announces that it has closed its fully subscribed non-brokered private placement (the "Offering") previously announced on February 25, 2022. Under the Offering, the Company has issued 6,000,000 units for gross proceeds of \$3,000,000. No finder's fees were paid in connection with the Offering.

The swiftness of the closing is a reflection of the placement being taken by eight investors, including strategics. Rob McEwen subscribed for half of the financing. Eric Muschinski subscribed for 1,000,000 Units and Tookie Angus, business advisor for the Company, added to his share position.

John Anderson, a director of the Company (the "Insider"), participated in the Offering and purchased 100,000 units for gross proceeds of \$50,000. Participation by the Insider in the Offering is considered a "related party transaction" pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company is exempt from the requirements to obtain a formal valuation and minority shareholder approval in connection with the Insider's participation in the Offering, in reliance of sections 5.5(a) and 5.7(a) of MI 61-101, respectively, on the basis that participation in the Offering by the Insider did not exceed 25% of the fair market value of the Company's market capitalization.

All securities issued under the Offering are subject to a hold period expiring July 4, 2022, in accordance with applicable securities laws and the policies of the TSX Venture Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933 (the "1933 Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons (as defined in the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration is available.

About Phenom Resources Corp.

Phenom (formerly First Vanadium Corp.) has an option to earn a 100% interest in the Carlin Gold-Vanadium Project, located in Elko County, 6 miles south from the town of Carlin, Nevada and Highway I-80. Forward-looking information

Certain statements in this news release constitute "forward-looking" statements. These statements relate to future events or the Company's future performance and include the Company's ability complete the proposed non-brokered private placement financing on the terms as described above. All such statements involve substantial known and unknown risks, uncertainties and other factors which may cause the actual results to vary from those expressed or implied by such forward-looking statements. Forward-looking statements involve significant risks and uncertainties, they should not be read as guarantees of future performance or results, and they will not necessarily be accurate indications of whether or not such results will be achieved. Actual results could differ materially from those anticipated due to a number of factors and risks. Although the forward-looking statements contained in this news release are based upon what management of the Company believes are reasonable assumptions on the date of this news release, the Company cannot assure investors that actual results will be consistent with these forward-looking statements. Readers should not place undue reliance on forward-looking statements. The forward-looking statements contained in this press release are made as of the date hereof and the Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.

Not for distribution to United States newswire services or for dissemination in the United States.
