

Osisko Development Provides Update on Previously-Announced Non-Brokered Private Placement

22.03.2022 | [GlobeNewswire](#)

MONTREAL, March 21, 2022 - [Osisko Development Corp.](#) ("Osisko Development" or the "Corporation") (ODV: TSX-V) is pleased to announce that it expects to close the second (and final) tranche of its previously-announced non-brokered private placement of subscription receipts ("Subscription Receipts") on March 29, 2022.

As previously announced, the first tranche of the Corporation's non-brokered private placement closed on March 4, 2022, for gross proceeds of approximately US\$84.8 million.

The Corporation has increased the size of the second (and final) tranche of the offering by up to an additional US\$10 million of Subscription Receipts to accommodate increased demand to invest in Osisko Development. To that end, the second (and final) tranche of the Corporation's non-brokered private placement is expected to close on March 29, 2022, pursuant to which up to an additional US\$35.5 million of Subscription Receipts may be issued.

The Corporation intends to use the net proceeds of the offering to advance the development of the Corporation's mineral assets and for general corporate purposes. All securities issued under the offering will be subject to a hold period expiring four months and one day from the date of issue. The offering remains subject to regulatory approvals, including conditional listing approval of the TSX Venture Exchange and, completing the listing of the Corporation's common shares on the New York Stock Exchange in order to satisfy the escrow release conditions required for the conversion of the Subscription Receipts.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States or any other jurisdiction in which such offer, solicitation or sale would be unlawful. No securities may be offered or sold in the United States or in any other jurisdiction in which such offer or sale would be unlawful absent registration under the U.S. Securities Act of 1933, as amended, or an exemption therefrom or qualification under the securities laws of such other jurisdiction or an exemption therefrom.

About Osisko Development Corp.

[Osisko Development Corp.](#) is uniquely positioned as a premier gold development company in North America to advance the Cariboo Gold Project and other Canadian and Mexican properties, with the objective of becoming the next mid-tier gold producer. The Cariboo Gold Project, located in central British Columbia, Canada, is Osisko Development's flagship asset with measured and indicated resource of 21.44 million tonnes at 4.6 g/t Au for a total of 3.2 million ounces of gold and inferred resource of 21.69 million tonnes at 3.9 g/t Au for a total of 2.7 million ounces of gold. The considerable exploration potential at depth and along strike distinguishes the Cariboo Gold Project relative to other development assets as does the historically low, all-in discovery costs of US\$19 per ounce. The Cariboo Gold Project is advancing through permitting as a 4,750 tonnes per day underground operation with a feasibility study on track for completion in the first half of 2022. Osisko Development's project pipeline is complemented by potential near-term production targeted from the San Antonio Gold Project, located in Sonora, Mexico.
