Emerita Refutes Short Report

30.03.2022 | GlobeNewswire

TORONTO, March 30, 2022 - Emerita Resources Corp. (TSX - V: EMO; OTC: EMOTF) (the "Company" or "Emerita") is aware that a report has been published by a short seller of Emerita shares which contains numerous falsehoods, inaccuracies and misrepresentations about the Company's assets, management and directors, designed to financially benefit the author of the report by causing the price of Emerita shares to drop. The Company categorically rejects the misinformation published in this report and stands by the information it has disclosed publicly on its website, on SEDAR and official regulatory filings. Investors are encouraged to be wary of short sellers with ulterior motives.

Emerita remains financially and operationally committed to advancing the development of its mineral resource assets in Spain for the benefit of all stakeholders and looks forward to a final resolution of the Aznalcollar tender in its favour.

About Emerita Resources Corp.

Emerita is a natural resource company engaged in the acquisition, exploration, and development of mineral properties in Europe, with a primary focus on exploring in Spain. The Company's corporate office and technical team are based in Sevilla, Spain with an administrative office in Toronto, Canada.

Cautionary Note Regarding Forward-looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, statements regarding the legal processes in Spain, the price and trading of Emerita's common shares; the likelihood of the Company obtaining the rights to the Aznalcollar project and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Emerita, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; risks associated with operation in foreign jurisdictions; ability to successfully integrate the purchased properties; foreign operations risks; and other risks inherent in the mining industry. Although Emerita has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Emerita does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
